

CAPABILITY STATEMENT

Our Core Competencies

Service First is a small vending and refreshment services company. We specialize in ensuring that our clients can provide fresh, high quality snacks options to their employees and customers.

Our emphasis is service. We focus on ensuring that clients have fully stocked, fully operational vending services at all times. Service also means being sensitive to changing consumer tastes. At Service First, we are working closely with our clients to provide the healthy snack options that today's consumers are demanding.

- Provide both packaged snack and beverage machines.
- Provide high quality, modern vending machines the latest in payment options
- Work with clients to provide machines which fit their space and decor needs
- Work with clients to provide the snack options their employees and customers demand
- Work with clients requesting machines designs/graphics which emphasize their local brand.
- Partnered with Coca-Cola™ for clients with beverage needs.
- Strive for Same-day response on service calls

Our History and Assets
